

All Austin Online's 20% off referral program terms and conditions.

The following terms and conditions govern the All Austin Online referral program and who is eligible to receive benefits under the program.

Definitions

A **Current Client** is someone who is currently paying for a service that All Austin Online offer.

A **Previous Client** is someone who has previously paid for services that All Austin Online offer and is not currently a subscribed or paying customer of any services.

A **Successful Referred Client** is someone who has had their details referred to All Austin Online by a current client or previous client with the consent of the referred client and has undertaken the services of All Austin Online following referral.

The Program is All Austin Online's 20% off referral program. Throughout this document the program will be referred to as either 'the program', 'this program' or simply 'program'.

Eligibility

To be eligible to receive benefits under the program a current or previous client must refer a referred client using the appropriate form on All Austin Online's website located [here](#). Previous clients will be eligible for rewards under this program once they become a current client again.

Exclusions

Photography orders are not eligible for 20% off under the program. There may be other exclusions at the discretion of All Austin Online.

The discount

All Austin Online are offering a 20% discount to any eligible clients as defined above.

Stackability

The discount offered under the program has the ability to stack for multiple successful referred clients. The discount can stack no more than 5 times offering current clients a 100% discount after 5 successful referred clients.

You Agree to

Only refer the details of people who have consented to having their information provided to All Austin Online and to only refer the details of people you know.

All Austin Online reserve the right to make any necessary changes to the terms and conditions of this program at anytime without notice.
